

BABINGTON HOUSE SCHOOL

SCIENCE TEACHER

Hours: Full-time

Salary Range: Competitive

We are currently seeking an outstanding Science Teacher to start in January 2025. You will be part of a strong, dynamic science team, providing high quality teaching across the school. You will have excellent subject knowledge, be an effective communicator and have a track record of achieving outstanding academic results for your pupils.

You will have experience of teaching science up to A Level, have a physics specialism and be passionate about teaching. You will be committed to providing high quality learning and experiences for all children. As a member of staff, you will be valued and supported; in return we are looking for commitment, drive and enthusiasm.

This is a fantastic opportunity to join an outstanding school, where the staff inspire pupils from the Sixth Form right down to the Nursery to achieve excellent results. The pupils at Babington House receive a first-class education and we ensure outstanding quality and exemplary support for the young people we serve.

At Babington House we provide a learning environment which caters for the needs of each individual and ensures pupils develop new skills, broaden their knowledge and achieve their potential.

The position will be a full-time post, working across 5 days per week.

The school is committed to safeguarding and promoting the welfare of children and young people. Applicants must undergo child protection screening, including checks with past employers and the Disclosure and Barring Service.

For further details about this post please see our website www.babingtonhouse.com or email vnelson@babingtonhouse.com Please note that CVs are not accepted unless accompanied by an Application Form.

To apply for this post please email your completed application form to vnelson@babingtonhouse.com by 9:00 am on 6th January 2025. Interviews are planned to take place shortly after. Candidates may be called to interview as applications are received.
