## HOUSE SCHOOL

### **Munchkin Sports Wraparound Care at Babington House School Booking Information**

All care will be managed through Munchkin Sports booking system **MagicBooking**.

#### **With MagicBooking, you will be able to:**

- Make and cancel bookings yourself quickly and easily, as long as you are doing this within Munchkin Sports timings as outlined in the terms and conditions
- View past bookings and payment history
- Update your child's details at any time
- Pay online using debit/credit card, Tax-Free Childcare, Childcare Vouchers, or account credit

You will also have full control of your account information, including healthcare plans, emergency contacts, authorised collectors, collection passwords, and communication preferences.

#### **What to do now:**

If you have not yet made an account to book the upcoming Munchkins holiday Easter Camps, the registration to create an account in MagicBooking is now open. To make any wraparound care bookings going forward, you will need to create an account.

Please note, Munchkin Sports Wraparound care is now live to book.

If you haven't registered yet, please do so as soon as possible – Munchkin Sports always recommend registering an account, even if you do not intend to book anything immediately. This way, they have your details ready for the occasion when you may need to make a late or ad hoc emergency booking and the online booking for that day is closed, so that they can ensure they have the correct information for your child or children.

#### **How to create your account:**

1. Visit: <https://munchkinsports.magicbooking.co.uk>
2. Click the button underneath the blue Login which says 'Don't have an account yet? Create one here' then complete the fields in the "Create an Account" box and then add your child or children
3. If you need help, use the "Help?" section at the top right of the website for step-by-step guidance

Creating an account should take around 5-10 minutes

### **Already registered with MagicBooking?**

If you already use MagicBooking with another provider, you're all set. You simply need to link your existing account to Munchkin Sports and accept their Terms & Conditions and Privacy Policy.

The Help? section also explains how to make bookings, view existing bookings, and manage your account.

### **Childcare Vouchers and Tax-Free Childcare**

If you plan to pay using Tax-Free Childcare, you will need to link your Government Tax-Free Childcare account with MagicBooking so payments can be made directly through the system. When you link you must ensure that your HMRC account is also linked to the Munchkin Sports Babington House setting – for easy reference, please enter the code: 2813209 which is the Munchkin Sports at Babington House and covers both the wraparound and Holiday camp provision. Once linked, all you will need to do is go back to your HMRC account and authorise the payment of any funds due.

If you prefer to use Childcare Vouchers, you can select your voucher provider at checkout and then complete the payment through your voucher account, and we will reconcile it with your booking when we receive the payment from your voucher provider.
